Section 1. It is the finding of this Commission, after public hearing, that adequate reason exists for the vacation of the following portion of County Highway located in Jefferson Township, of Dubois County, Indiana, to-wit:

All of that portion of Old County Road 880 East running, in Section 16, Township 3 South, Range 3 West, from the Dubois-Perry County line north to the north line of the South half of said Section 16.

That petition has been filed by the Indiana Division of Forestry for the vacation of said public road; that proper notice has been given of said hearing on said petition; that said roadway is dead end, is not passable and no public benefit is to be derived from the continued existence of said public roadway; that the sole adjacent property owner petitioned the vacation of said highway; that the vacation of said highway will not diminish the value of any other real estate located in the vicinity thereof; that no public utility is known to exist within said easement; and that no reason exists of the continued existence of said highway and the same should now be vacated.

Section 2. That said public highway as herein described shall be and is hereby vacated, subject however to a continuing perpetual easement as to any unknown public utility which may be now located within the boundaries thereof.

Section 3. That legal title in and to that real estate on either side of the described centerline of highway shall be and is hereby vested in the adjacent property owner, to wit: State of Indiana - Indiana Department of Natural Resources.

Section 4. This Ordinance shall be in full force and effect from and after its adoption.

AN ORDINANCE TO ESTABLISH FEES FOR YARD WASTE AND TREE TRIMMINGS DEPOSITED AT COUNTY COLLECTION SITES

WHEREAS, Dubois County, Indiana has heretofore established and now operates a system of solid waste collection sites open to the public in said County; and,

WHEREAS, To cover a portion of the cost of operating said system, and to encourage public recycling of solid waste, the County has heretofore established a fee on solid wastes deposited at said sites, but has accepted recycables and yard wastes free of charge; and,

WHEREAS, The cost of disposal of such yard wastes and trimmings and deposits by limited number of individuals of excessive volume of trimmings has substantially increased the cost to the County of disposal of said items and has placed a burden on employees at said sites.

NOW, THEREFORE, TO ASSIST IN DEFRAYING THE COST OF DISPOSAL OF YARD WASTES AND TRIMMINGS AND TO CAUSE PROPER DELIVERY OF SUCH ITEMS TO COLLECTION SITES, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF DUBOIS COUNTY, INDIANA:

1. This Ordinance shall be applicable to all yard waste and all trees and bushes and trimmings therefrom, which shall hereinafter be referred to as "yard waste".

2. The County may, from time to time, establish collection sites for the collection of yard waste deposited by residents of Dubois County, Indiana not engaged in business ventures.

3. To be eligible for deposit at established collection sites, yard waste must be in separate bags or boxes containing no greater than 45 gallons per container or cut to size and in the above approximate quantity, which is manageable by site attendants and County employees.

4. Each authorized bag, box or quantity of yard waste shall have affixed thereto one-half of the regular solid waste sticker to be purchased from the County, or a seller authorized by County, thereby making the cost of disposal for yard waste one-half (1/2) of that established from time to time by the County for items of solid waste normally deposited at collection sites. Stickers shall not be sold in one-half units but only as a whole

sticker. Income collected from the sale of such stickers shall be deposited in the County Sanitation fund.

5. It shall be unlawful for any person to place items of solid waste in any container designated to contain yard waste and it shall be unlawful for any person to deposit yard wastes at any collection site without payment of established fee or at any time when said collection site is not staffed by a County employee and open to the public for receipt of items.

6. It shall be unlawful for any person to dispose of any yard waste on any public real estate or right-of-way, except at a designated collection site.

7. Any person found in violation of any provisions of this Ordinance shall be fined an amount not to exceed Two Thousand Five Hundred Dollars (\$2,500.00) for each violation. The County shall also be entitled to seek an injunction to prevent further violation of this Ordinance.

8.
