## CLICK IT OR TICKET MONTH

**WHEREAS**, saving lives on Indiana's roadways is a priority of this community; and

**WHEREAS**, 894 lives were lost in motor vehicle crashes in 2001 and of this number 70 percent of the victims were not wearing seat belts; and

**WHEREAS**, the Governor's Council on Impaired and Dangerous Driving, a division of the Indiana Criminal Justice Institute, has implemented the Click It or Ticket campaign to increase Indiana's seat belt usage rate; and

**WHEREAS**, "Click It or Ticket" uses high visibility enforcement, aggressive public information and education and intense media coverage to send the message to motorists that if they do not comply with Indiana's seat belt and child restraint laws, they will receive a ticket; and

**WHEREAS**, by implementing the "Click It or Ticket" campaign, WE, along with the Governor's Council, believe that Indiana's seat belt usage rate will continue to increase. We know the single most effective action we can take to save lives on Indiana's roadways is to increase seat belt and child safety seat use. What is important to remember is that if Indiana's seat belt usage rate increases by 10 percent, 100 lives will be saved, thousands of injuries prevented and an economic savings to the state of \$150 million over the next year.

**NOW, THEREFORE**, as the Board of County Commissioners of Dubois County, we do hereby proclaim May, 2002 as **Click It or Ticket Month** for the County of Dubois.
